

The Beginning and the Growth

Manthan Vidyashram, a Charitable Trust, started its learning centre at Indira Nagar, Adyar in the year, 2002.

Growth of Manthan demanded an additional space that forced it to shift from Adyar to Palavakkam in January 2006 and from Palavakkam to Natco Colony, Kottivakkam (40+ grounds) in February 2011.

Manthan's first joint venture Vanshi Manthan Vidyashram is functioning from Natco Colony North Street, Kottivakkam, Chennai – 600041.

Curriculum

Vanshi Manthan Vidyashram is affiliated to Edexcel, UK for Primary and Secondary (upto Class XII).

The Programs offered include Pre-KG to IGCSE (Class X) and IAL (Class XI & XII), Edexcel - UK.

Manthan has integrated the syllabi of CBSE, ICSE and Matriculation upto class VII to enable children move effortlessly from Manthan to any other school in the country, whenever the need for transfer arises. English is the medium of instruction. Manthan's panel of educationists constantly train its teachers in the latest and innovative teaching techniques which help the children to be creative and conceptually clear rather than memorize answers. The performance of Manthan children in ASSET (a national benchmark examination) is comparable to the top10 schools in the country. Std XII children secured admission in International, National and State Universities.

Manthan begins and ends the day with prayers. Manthan considers prayer as an integral part of learning. Manthan also values Personality Development and views it as a fundamental part of every child's learning process in life. Additionally, Manthan also contributes to development of skills.

Academic Activities

Pre-KG	Activity Based Learning (Montessori), Use of Educational Toys, Rhymes and Story Telling apart from personality development programs
LKG & UKG	English, Mathematics, Environmental Science and Languages namely, Tamizh / Hindi which are introduced in a phased manner in the form of Rhymes and other fun based interesting programs that enhance aptitude for learning in children
Std I & II	English, Mathematics, Science, Tamizh, Hindi and CD Classes
Std III to V	English, Mathematics, Science, Social Studies (History, Geography and Civics), Tamizh, Hindi and Computer Science
Std VI & VII	Science is branched into Physics, Chemistry and Biology. Sanskrit is offered as an optional third language in addition to the subjects that are offered in Std V.
Std VIII to X	English, Mathematics, Physics, Chemistry, Biology, Computer Science (ICT), History, Geography and Hindi/Tamizh
Std XI & XII	English, Mathematics, Physics, Chemistry, Biology / Computer Science

Facilities

Pre-KG to Std V : Classrooms are equipped with digital projectors with content from various sources. **Std VI to XII :** Classrooms are fitted with interactive digital board that facilitates learning with the help of sophisticated educational tools. Manthan library has close to 15000 books of which more than 5000 are story books catering to children from LKG to Std XII. This is to inculcate a sound reading habit among children.

Emagazine

The Emag publication initiated by Manthan is among the many activities aimed at empowering and honing the skills of our children. Combining several different forms of expression – articles, stories, puzzles, reports, photography, painting – the Emag has space for every child.

Inter-House Competitions

(to develop courage, conviction and confidence to face life & future)

Inter-house competitions form an integral part of Manthan's curriculum. It provides a platform for each and every child to participate and display their talent in academics and extra-curricular activities.

These competitions help to bring out good co-ordination within the teams and build leadership qualities.

Skills Development Program (SDP)

Manthan offers Cricket, Basket Ball, Shuttle Badminton, Volley Ball and Yoga after class hours for a healthy balance of mind and body.

Importance of Attendance

The child must attend at least 85% of working days for his / her promotion to the next class. Manthan focuses on child's healthy intellectual, emotional and overall personality development. This is directly dependent on the utilization of opportunities and exposure that can be availed through various activities, academic and non-academic. Hence regular attendance is essential to gain fruitful learning experience.

Evaluation & Feedback Procedure

Evaluation and Report card sessions are important as they give the status of the child's progress and what needs to be done further to ensure an improved academic performance and overall development of the child.

All classes have mid-semester evaluations in the months of July and December and Semester evaluations in September / October and February / March. Progress report for semester I will be given in the month of October / November and that of semester II by April. Manthan

expects parents to review the performance of their child with Manthan Teachers during report card sessions. Report card of Semester I must be returned within 2 days after duly signing it and Semester II report card may be retained.

Closing of Academic Year

Manthan will close for summer on the last working day of April every year. Manthan requests all parents to plan their holidays after the completion of report card session.

Communication between Parents and Manthan

* Points to Ponder and DTR (Dates To Remember) will be sent in PDF format via SMS. DTR may be referred to for details regarding important dates and events. Points to Ponder will clarify many Frequently Asked Questions

Vijayadasami Admissions for Pre-KG

Manthan will open admissions only for Pre-KG tentatively a month before Vijayadasami.

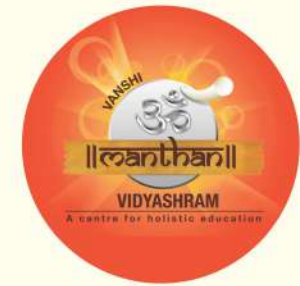

October 24, 2023 is Vijayadasami Day. Manthan children will assemble for prayer at Rathnagirishwarar Temple on Vijayadasami Day. The day being auspicious, Manthan would appreciate participation of all children. After the prayer, Aksharabyasam will be performed for the newly admitted Pre-KG children in the temple.

A few of Google Reviews

- Manthan Vidyashram is an outstanding school with dedicated teaching staff & management. The academic curriculum is conceptual & application based which encourages the child to develop analytical thinking rather than rote learning. The teachers are very well qualified doing an excellent job with online classes during the pandemic.....
- The school atmosphere is a perfect blend of discipline & loving care. PTA meetings are insightful & assessment of the child academically & otherwise is quite accurate.....
- Manthan inculcates righteous values, teaches respect and builds the overall personality.....
- Children become natural speakers and orators and have the freedom of thought to express and demonstrate their skills..... global topics discussed and brainstormed with kids.....
- Management approach is more like a service to the society.....
- Education - To put it one line, it is wholesome and complete.....
- My child hates if she has to miss the school even to go on a vacation.....
- Manthan - it's not a money minded school, very very child centric.....
- There is comprehensive coverage on academics, sport, and extracurricular activities.....
